Cucurbitaceae **Marah** (bitter) **fabaceus** (pealike) California Manroot (Naudin) Greene
Cucurbitaceae **Marah oreganus** Coast Manroot (Torrey & A. Gray) Howell
Cyperaceae **Scirpus** (old name) **acutus** (pointed) Hardstem Bulrush Bigelow
Cyperaceae **Carex** (old name) **tumulicola** (growing on tombs) Berkeley sedge
Dipsacaceae **Dipsacus** (thirst) **fullonum** (of fullers) Fuller's teasel
Dennstaedtiaceae Brake **Pteridium** (fern) **aquilinum** (eaglelike) Bracken fern (L.) Kuhn
Dryopteridaceae Wood Fern **Athyrium** (doorless) **filix-femina** (female fern) Lady Fern (L.) Roth
Dryopteridaceae **Dryopteris** (oak fern) **arguta** (shining) Wood Fern (Kaulfuss) Maxon
Ericaceae **Arbutus** (Latin) **menziesii** (A Menzies 1754-1842 Scottish bot.) Madrone Pursh
Ericaceae **Arctostaphylos** (bear berries) **glandulosa** (glandular) Eastwood Manzanita

Fabaceae **Genista monspessulana** French Broom
 Fabaceae **Lathyrus** (Greek name) **latifolius** (wide-leaved) Perennial sweet-pea L.
 Fabaceae **Lathyrus** (Greek Name) **vestitus** (clothed) Nutt. CA sweet-pea
 Fabaceae **Lotus** (Latin) **grandiflorus** (large-flowered) Largeflower lotus (Bentham) Greene
 Fabaceae **Lotus** (Latin) **scoparius** (broom) Deerweed (Nuttall) Ottley
 Fabaceae **Lupinus** (wolf-plant; robs soil of nutrients) **albifrons** (white front) Blue Bush Lupine
 Bentham
 Fabaceae **Lupinus succulentus** (succulent) Arroyo Lupine Koch
 Fabaceae **Medicago** (Medea) **polymorpha** (many shapes) Burclover L.
 Fabaceae **Medicago** (Medea) **arabica** (arabian) arabian Burclover L.
 Fabaceae **Vicia** (vetch) **americana** American Vetch Willd.
 Fabaceae **Vicia** (vetch) **sativa** (sow) Narrowleaf Vetch L.
 Fabaceae **Vicia** (vetch) **villosa** (softly hairy) Hairy Vetch L.
 Fagaceae **Quercus** (Latin) **agrifolia** (in the country) Coast Live Oak Nee
 Fagaceae **Quercus** (Latin) **lobata** (lobed) Valley Oak Nee
 Fagaceae **Quercus** (Latin) **kelloggii** (Kellogg's) Ca Black Oak Newberry
 Geraniaceae **Erodium** (heron) **botrys** (bunched) Broadleaf Filaree (Cavanilles) Bertoloni
 Geraniaceae **Erodium** (heron) **cicutarium** (cluster) Redstem Filaree (L.) L'Heritier de Brutelle
 Geraniaceae **Geranium** (crane) **bicknellii** Bicknell Geranium Britton
 Geraniaceae **Geranium** (crane) **dissectum** (dissected) cut-leaf Geranium
 Geraniaceae **Geranium** (crane) **molle**(soft) Dove's-foot Geranium L.
 Grossulariaceae **Ribes** (acid-tasting) **californicum** Hillside Gooseberry Hooker & Amott
 Grossulariaceae **Ribes** (acid-tasting) **divaricatum** Valley Gooseberry
 Grossulariaceae **Ribes** (acid-tasting) **menziesii** (Menzies') Menzie's Gooseberry Pursh
 Iridaceae **Iris** (Iris) **foetidissima** (stinkiest) roast beef iris L.
 Iridaceae **Sisyrinchium** (Iris-like) **bellum** (charming) Blue-eyed-grass Watson
 Juglandaceae **Juglans** (Latin walnut) **hindsii** (Hind's) Northern CA Black Walnut Jepson
 Juncaceae **Juncus tenuis** Slender Rush
 Juncaceae **Luzula comosa** Wood Rush
 Lamiaceae **Clinopodium douglasii** Yerba Buena
 Lamiaceae **Salvia** (to save) **mellifera** (honey wild) Black Sage Greene
 Lamiaceae **Stachys** (ear of corn) **ajugoides** Benth.
 Lauraceae **Umbellularia** (small umbrella) **californica** California Bay Nuttall
 Melanthiaceae **Toxicoscordion** (poison Lily) (**Zigadenus**) **fremontii** (Fremont's) death camass
 Melanthiaceae **Trillium** (three parted) **chloropetalum** (green-petalled) CA Trillium
 Oleaceae **Fraxinus** (Latin for ash) **latifolia** (wide leaf) Oregon Ash Bentham
 Oxalidaceae **Oxalis** (sour) **pes-caprae** (foot, goat) Bermuda Buttercup L.
 Papaveraceae **Eschscholzia** Eschscholtz 1793-1831 Russian natur.) **californica** California
 Poppy Chamisso
 Phrymaceae **Mimulus** (little mime) **aurantiacus** (orange) Sticky Monkeyflower Curtis
 Pinaceae **Pinus**(Latin) **radiata** (radiating) Monterey Pine D. Don
 Platanaceae **Platanus** (greek for sycamore) **racemosa** (fls in racemes) Western Sycamore Nutt.
 Poaceae **Avena** (Latin) **fatua** (silly) Wild Oats
 Poaceae **Bromus** (Greek) **diandrus** (two-stamened) Rpgut Grass Roth
 Poaceae **Cortaderia** (cutting) **jubata** (crested) Hairy Pampas Grass (Lemoine) Stapf
 Poaceae **Festuca** (Latin) **californica** CA Fescue
 Poaceae **Hordeum** (Latin) **murinum** (of mice) Farmer's Foxtail
 Poaceae **Lolium** (Latin) **multiflorum** Many-Flowered Ryegrass
 Poaceae **Vulpia** (foxy) **myuros** var. **myuros** Mousetail fescue
 Portulacaceae **Claytonia** (J. Clayton 1686-1773 colonial Amer. Bot.) **perfoliata** (foliage all
 around) Miner's- lettuce Willdenow

Primulaceae **Anagallis** (pimpernel) **arvensis** (field) Scarley Pimpernel L.
Pteridaceae **Pentagramma** (five lined) **triangularis** (triangular) Goldback Fern (Kaulfuss)
Yaskievych, Windham, & Wollenweber
Ranunculaceae **Ranunculus** (little frog) **californicus** CA Buttercup
Ranunculaceae **Ranunculus muricatus** L.
Rhamnaceae **Rhamnus** (old name for prickly shrub) **californica** California Coffeeberry Eschscholtz
Rosaceae **Malus** (Latin for apple) **sylvestris** (wild) Apple
Rosaceae **Adenostoma** (glandular mouth) **fasciculatum** (bundled) Chamise Hooker&Arnott
Rosaceae **Crataegus** (strong) **suksdorfii** (of W. N. Suksdorf) Black Hawthorn (Sargent)
Kruschke
Rosaceae **Fragaria** (fragrant) **californica** CA Strawberry Cham. & Schldl.
Rosaceae **Heteromeles** (different apple) **arbutifolia** (madrone-leaved) Toyon (Lindley) Roemer
Rosaceae **Holodiscus** (whole disk) **discolor** (variegated) Creambush (Pursh) Maximowicz
Rosaceae **Physocarpus** (bladdery fruit) **capitatus** (w/ a head) (Pursh) Kuntze
Rosaceae **Rubus** (Latin for bramble) **bifrons** (twice-leaved) Himalayan blackberry Vest ex Tratt.
Rosaceae **Rubus** (bramble) **ursinus** (bear) California Blackberry Chamisso&Schleiden
Rubiaceae **Galium** (milk-use in curdling) **aparine** (take hold of) Goosegrass L.
Rubiaceae **Galium** (milk-use in curdling) **porrigens** (stretch out)Climbing Bedstraw Dempster
Rutaceae **Ptelea** (elm) **crenulata** (notched) Hoptree Greene
Salicaceae **Salix** (Latin) **exilis** (short) Sandbar Willow
Salicaceae **Salix** (Latin) **laevigata** (smooth) Red Willow
Salicaceae **Salix** (Latin) **lasiolepis** (hairy) Arroyo Willow Bentham
Sapindaceae **Acer macrophyllum** Bigleaf Maple
Sapindaceae **Aesculus californica** CA Buckeye
Saxifragaceae **Lithophragma** (stone piece) **affine** (alike) Meadow Star
Scrophulariaceae **Scrophularia** (scrofula) **californica** Beeplant Chamisso & Schleiden
Solanaceae **Solanum** (quieting) **umbelliferum** (little umbrella) Blue Nightshade Eschscholtz
